### *A Different Kind of School Catalog*

This special issue of the school newsmagazine, *The Archon*, is published early each summer. We believe it is just as useful as the ordinary school catalog, and we hope it is more interesting.

Most of the text and many of the pictures appeared in the regular issues of *The Archon* published during the school year just past.

The last three pages carry a roster of trustees, faculty, and students for 1949-50.

## SENIORS' SUCCESS IN COLLEGE ADMISSIONS HIGHLY GRATIFYING

In June 1950, Governor Dummer graduated 73 seniors and four postgraduates, or a total of 77 boys. One of the seniors is returning to the Academy for a postgraduate course, and 74 were candidates for college admission.

The success their applications have met with to date is very gratifying, since 72 have already gained admission and the applications of the other two are pending the reports of the May College Entrance Examination Board tests.

As usual, most of the seniors are entering New England colleges, the complete distribution being as follows:

Amherst . . . . .	8
Brown . . . . .	6
Bowdoin . . . . .	5
Harvard . . . . .	4
Dartmouth . . . . .	3

26 other colleges with fewer than 3 candidates	37

## GRADUATES ARE WIDELY DISTRIBUTED IN COLLEGES

The addition of this year's graduates to those of the preceding four years will make the totals attending various colleges during the five past years as shown in the following list. Figures for the war years are not available, since so many graduates were assigned to college by the military services.

Harvard . . . . .	36
Amherst . . . . .	24
Brown . . . . .	18
Dartmouth . . . . .	17

## GOVERNOR DUMMER OPENS WITH RECORD ENROLLMENT

### *Wide Geographic Distribution*

Governor Dummer opened its 187th year on Tuesday, September 20, with a record enrollment of 217 boys. Because of the great number of well-qualified applicants, every room was filled and many candidates had to be refused admission.

This year nineteen states, Alaska, and two foreign countries were represented on the Academy's roster; and, as usual, a large proportion of the resident students came from outside New England. There were thirty boys from New York, ten from New Hampshire, nine each from Connecticut and Maine, and eight each from Rhode Island and Illinois. Ohio had six, and Texas and New Jersey each had five. There were three from Pennsylvania and two each from Indiana, Missouri, and Vermont. Michigan, Minnesota, North Carolina, Oklahoma, and Virginia were also represented on the roster as were Alaska, Italy, and Sweden.

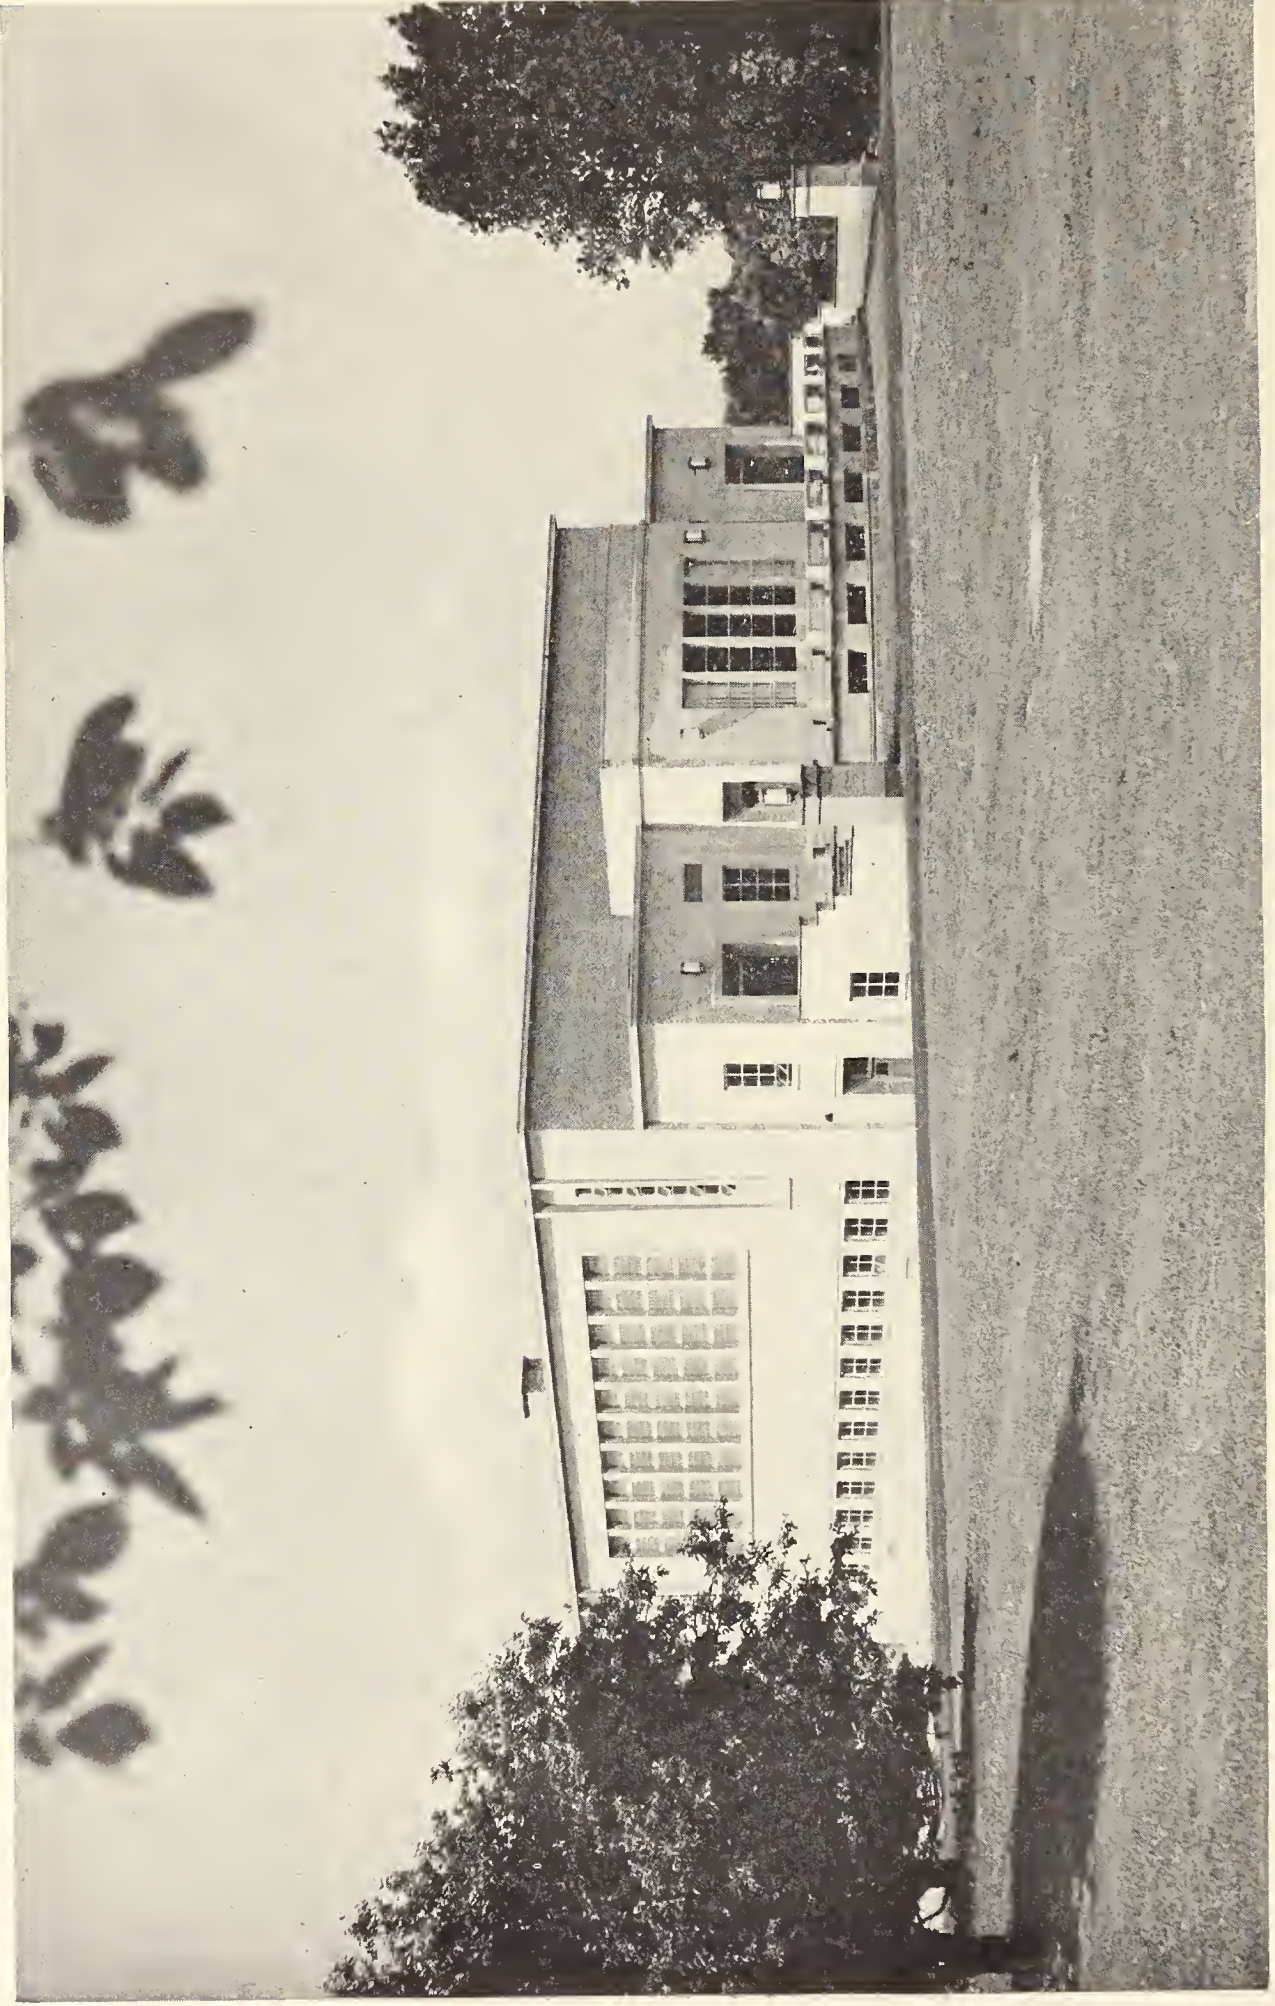

## MR. AND MRS. EAMES ENTERTAIN SENIORS ON SATURDAY NIGHTS

Each Saturday evening during the winter and spring terms Mr. and Mrs. Eames entertained a group of seniors at the Mansion House during the regular movie period. After a session of bridge and canasta, the group enjoyed refreshments in the Mansion House kitchen before returning to the dormitories.

A committee of boys was in charge of the arrangements, and the parties were so popular that it was necessary to limit the group to twenty boys each Saturday,—it falling to the committee to rotate the list of those attending.

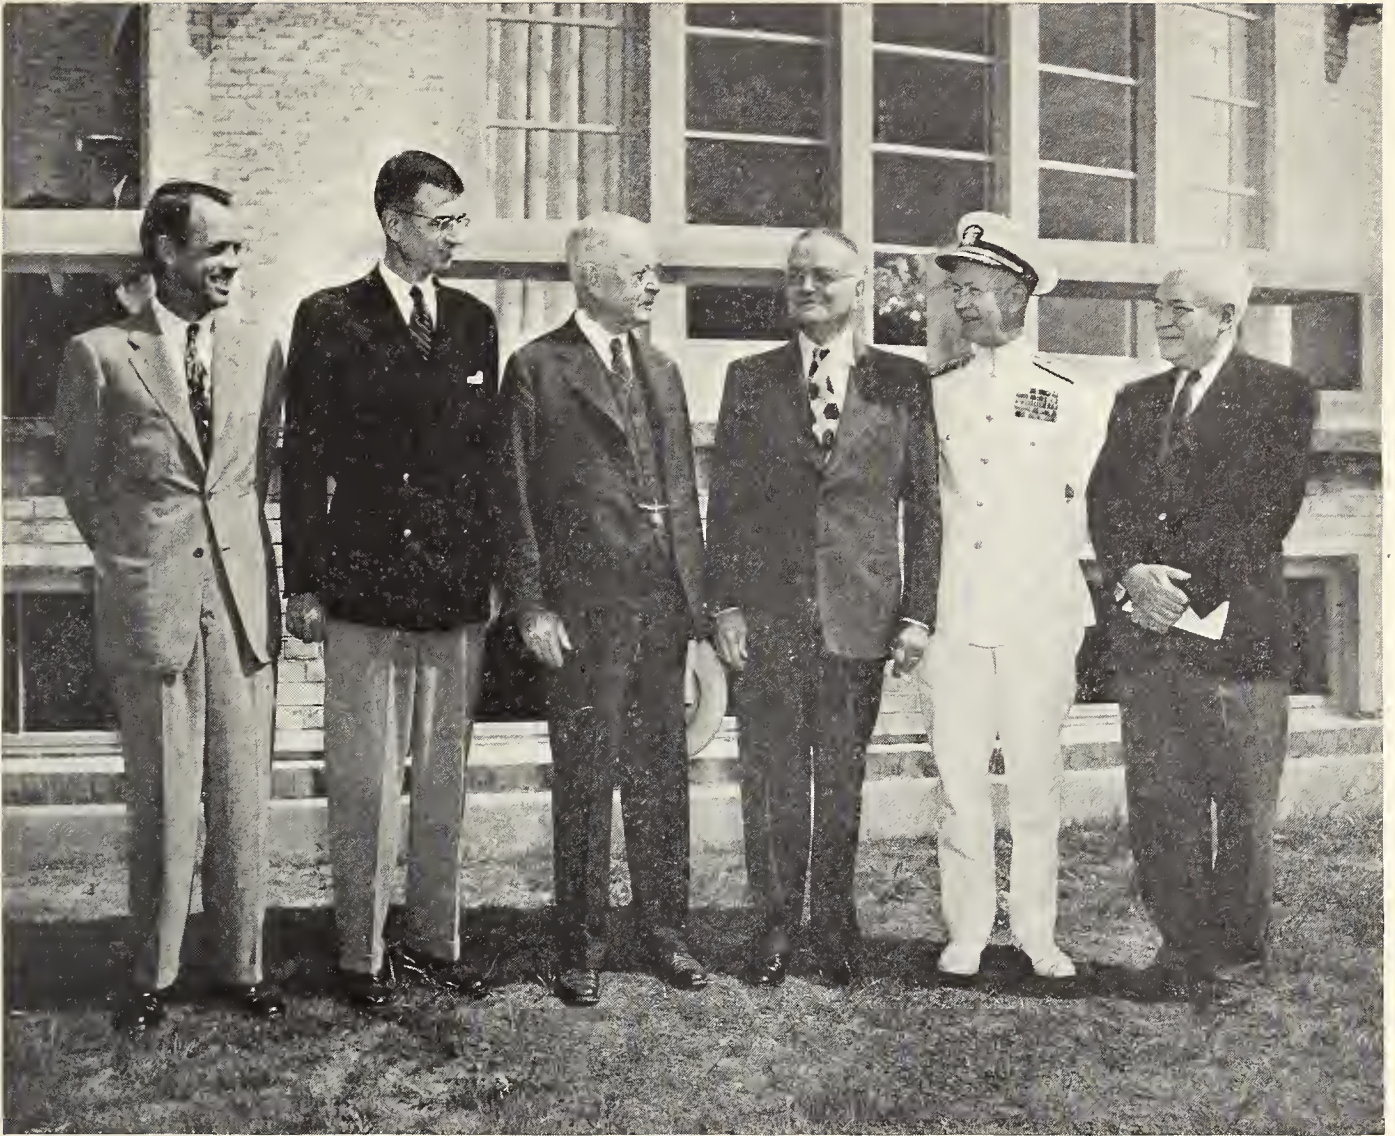

During the absence of Mr. and Mrs. Eames, the members of the administrative committee took turns acting as host at the parties.

## NEW ALUMNI GYMNASIUM DEDICATED AT GRADUATION

### *Admiral Halsey Delivers Address* *Anonymous Donor Announced*

Governor Dummer's new Alumni Gymnasium, constructed to honor the 700 graduates who served in the armed forces during World War II, was dedicated on June 3 as part of the Commencement program. Fleet Admiral William F. Halsey, USN (Ret.) gave the dedication address. He was introduced by Vice Admiral Robert B. Carney, USN, formerly Chief-of-Staff to Admiral Halsey with the Third Fleet in the South Pacific and now commanding the Second Fleet (Atlantic).

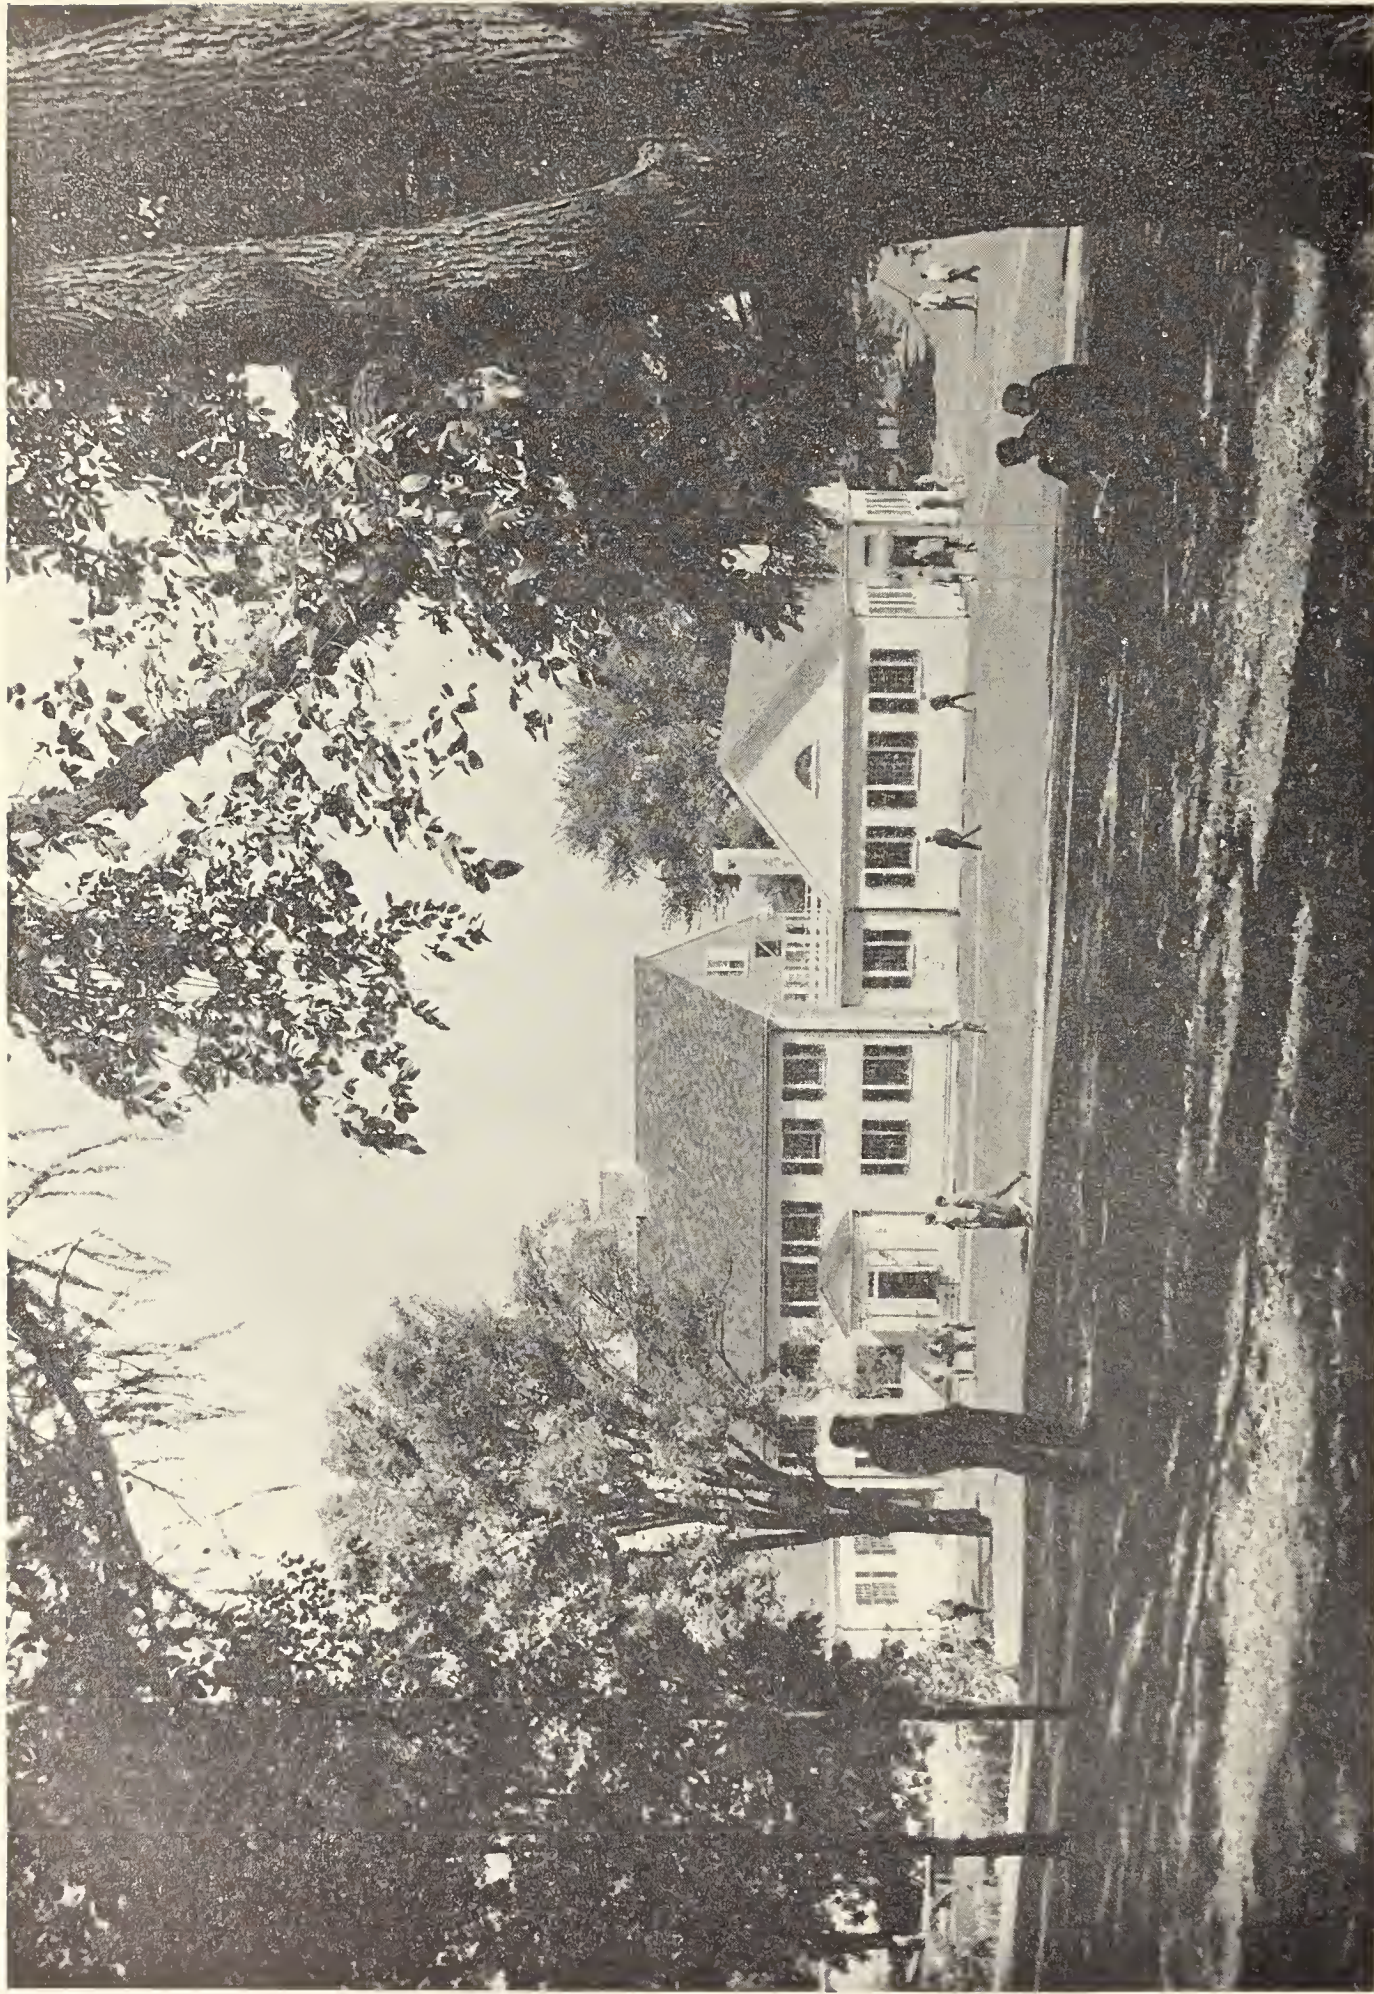

Mr. Philip M. Morgan, Chairman of the

Building Committee, presided at the ceremony, and Headmaster Edward W. Eames announced that Mr. Morris P. Frost of the Class of 1935 was the anonymous donor whose generous contribution to the Gymnasium Fund made the building possible when the pre-war fund proved inadequate to erect the building at post-war prices. Mr. Eames expressed his gratitude to Mr. Frost and to the many other alumni, parents, trustees, and friends of the school who had contributed to the fund.

A spacious elevated terrace at the front of the building commands a sweeping view across the campus and the playing fields. The terrace was given by Mr. and Mrs. Alfred F. Brady of Englewood, New Jersey, in memory of their son, Joseph Crabbe Brady, a graduate in the Class of 1941,

### PUBLIC SPEAKING STUDENTS SPEAK AT ROTARY CLUBS

The Public Speaking course at Governor Dummer, now in its third year, continues to meet with great success. Required of all seniors, it has proved even more beneficial than was expected.

The practice of sending groups of boys to speak at the Rotary Clubs in neighboring cities has been continued, and the boys are invariably greeted with enthusiasm by the members of the clubs. Several members of the classes have also appeared as guest speakers at the regular school evening meetings.

A list follows of the boys who have spoken before the various clubs.

The Newburyport Rotary Club: Stig Rossby, John Ives, Allan Rogers.

The Haverhill Rotary Club: John Ives, George Laventis, Linwood Starbird, Jon Urnes.

The Danvers Rotary Club: Leonard Beck, John Ives, Linwood Starbird, Dean Stephens, Reginald Towner.

### THIRTEEN SENIORS INDUCTED INTO THE *CUM LAUDE* SOCIETY

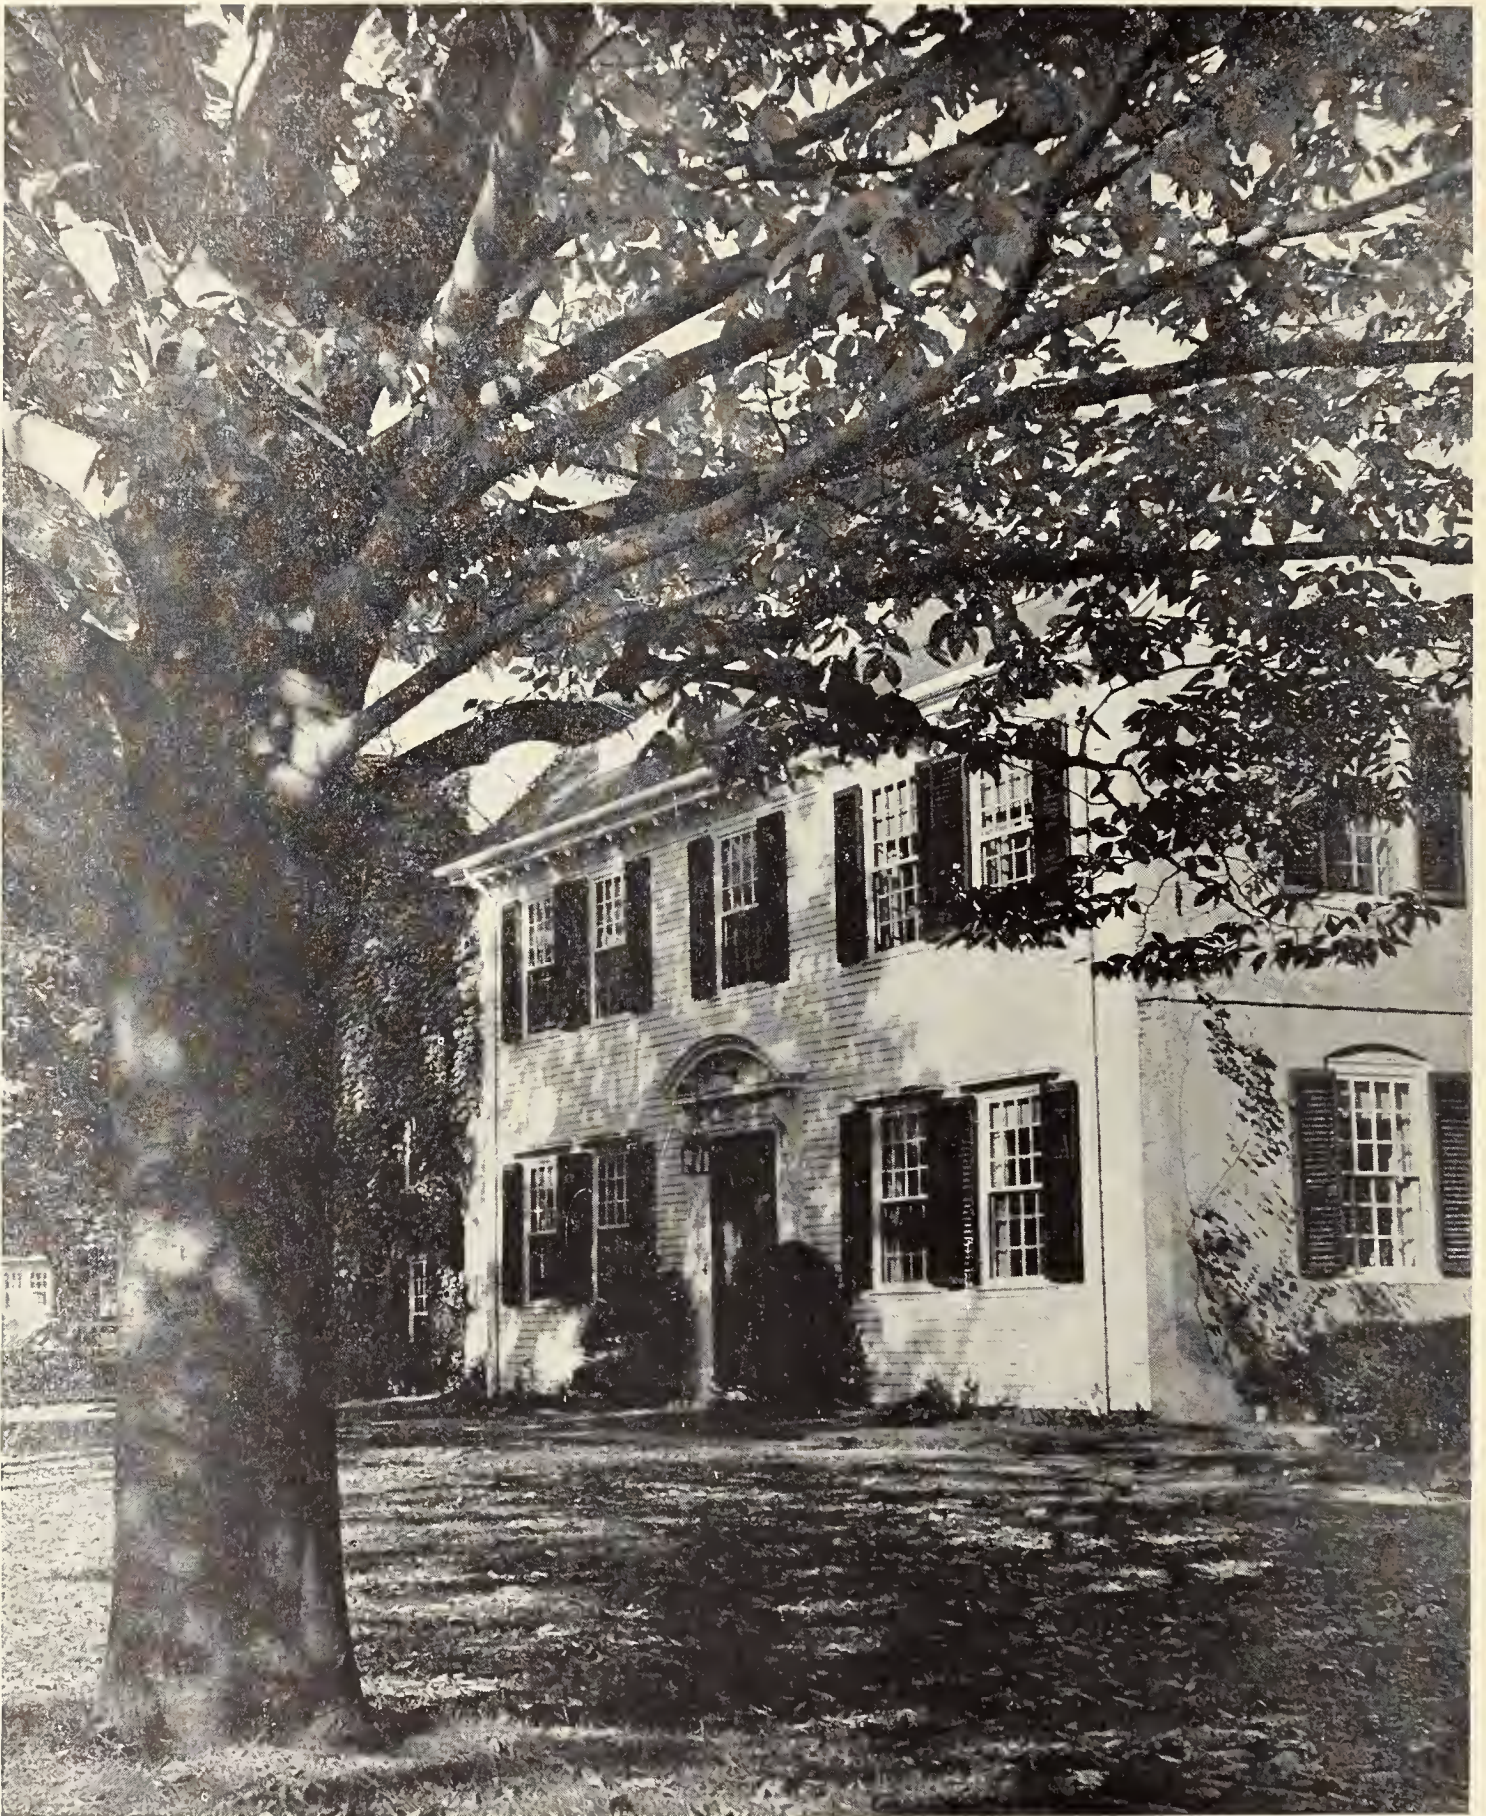

At a special dinner and meeting on May 12, the Governor Dummer Chapter of the *Cum Laude* Society, the national secondary-school honor Society which corresponds to Phi Beta Kappa in American colleges, initiated thirteen new members.

The dinner and initiation ceremony were attended by the new initiates, by the faculty members of the society, and Mr. James Duncan Phillips, President of the Board of Trustees, and Dr. Arthur W. Ewell, also a trustee, both of whom are honorary members of the Society. Later the entire school was assembled to hear the initiation address by Mr. Robert W. Kesler of Phillips Exeter.

This year the following boys were elected to membership: Henry T. Brockelman, Joseph G. T. deBerry, Robert D. Dickerman, W. Dennis Engs, Arthur R. Evans, John C. Gallagher, Peter W. Gavian, John G. ## ADMISSIONS OFFICERS TALK OF COLLEGE LIFE

---

During the past year the Academy has enjoyed visits from the admission officers of a number of colleges. These visits are very helpful both to students already headed for some definite college and to those who have not yet reached a decision.

Most of the representatives have spoken at least briefly at the evening meeting of the school and at greater length to smaller groups after the meeting.

Among those who have visited the school this year are:

Mr. George Werntz, Jr., Director of Admissions at Colgate, on October 14.

Mr. C. William Edwards, Assistant Director of Admissions at Princeton, on October 19.

Mr. Charles R. Dalton, Director of Admissions at the University of Rochester, on October 28.

In September Mr. and Mrs. Traver will occupy the apartment on the second floor of Commons, and Mr. and Mrs. Cleveland will live in Perkins.

## 275 PARENTS ENJOY SPECIAL PROGRAM ON OCTOBER 22

---

The third annual Parents' Day, on October 22, drew a record attendance of two hundred and seventy-five parents to the Academy. The purpose of the day is to provide an opportunity for the parents to meet the faculty and each other.

After a buffet luncheon, the parents were treated to a full program of athletic events. The Governor Dummer varsity soccer, J.V. soccer, and varsity football teams played the teams of Milton Academy, and the Pony football team played the Emerson School team. An informal reception in the Cobb Room followed the varsity football game.

In the evening, following the parents' buffet supper, a program was held in the Cobb Room. Mr. Roger B. Coulter, a newly elected trustee of the Academy, Mr. A. Macdonald Murphy of the faculty, and Mr. Philip M. Morgan of the Board of Trustees were the principal speakers. Mr. Eames presided at the meeting and also called for a brief acknowledgment from Mr. James Duncan Phillips and the Reverend Glenn Tilley Morse, other members of the Board of Trustees who were present at the meeting.

## BOSTON ALUMNI DINNER HELD AT HARVARD CLUB

---

The annual Boston Alumni Dinner was held at the Harvard Club on the evening of January 27 with more than eighty alumni in attendance, as well as Mr. Eames, Mr. Carruth, Mr. Dunning, Mr. Mercer, Mr. Murphy, Mr. Navins, Mr. Ohrn, Mr. Sager, Mr. Stone, and Mr. Witherspoon of the faculty.

Gerald May '26, President of the Association, presided at the meeting following the dinner. Mr. Eames spoke briefly and then Mr. May called on John H. Dyer '39 to introduce the principal speaker of the evening, Mr. Thomas McC. Mercer. Mr. Mercer made some serious comments on the great current emphasis on the study of words and vocabulary building, and concluded with some highly amusing examples of what happens when the boys are forced to acquire vocabulary beyond their immediate needs.

#### WORK IN THE BOYS' MACHINE SHOP

Two lathes, two drill presses, a grinder, a shaper, and three milling machines have been installed in the boys' machine shop. Here the boys work in metal, make precision tools, and learn the rudiments of gas engines. An experienced instructor is in charge of the shop.

## MR. HOWARD CURTIS NAMED MACHINE SHOP INSTRUCTOR

---

Mr. Howard P. Curtis, director of the Vocational School at the Newburyport High School has been appointed to succeed Mr. Oscar P. Nelson as instructor in the Academy machine shop.

Mr. Curtis is a graduate of Northeastern University. He was first appointed director of the Vocational School in 1942, but was on leave of absence for two years while he served with the U. S. Navy during the war.

Mr. Nelson has recently opened a shop of his own; and that, with his duties at the Arnold Trade School of Haverhill, made it impractical to continue in his post at Governor Dummer.

## GLEE CLUB PARTICIPATES IN CONCERT AT SYMPHONY HALL

---

On Sunday afternoon, April 23, the Governor Dummer Glee Club participated in the fifth annual concert of the New England Preparatory School Music Festival Chorus at Symphony Hall, Boston. Beside Governor Dummer, the combined glee clubs of The Beaver Country Day School, Dana Hall, Milton Academy, Phillips Academy at Andover, The Phillips Exeter Academy, and Walnut Hill School presented two short Bach chorales and two major works: Fauré's *Requiem* and the Bach *Magnificat* in commemoration of the bicentennial of Bach's death.

The group, under the able direction of Dr. Wilfrid Pelletier of the Metropolitan Opera Association, was accompanied by members of the Boston Symphony Orchestra and assisted by vocal soloists from the New England Conservatory of Music.

From every viewpoint the concert was an outstanding success.

THIRD HAND TUB, SECOND  
HOSE CART NOW ON CAMPUS

*Gift of Phillips Academy*

On behalf of Phillips Academy, Headmaster John Kemper recently presented to Governor Dummer the antique fire engine or hand tub, and the hose cart which some fifty years ago provided the only means of fighting fires at the Andover school.

On the hose cart are the hand-wrought copper nozzles used with the hand tub, and over one hundred feet of copper-riveted leather hose of the kind then in use.

The gift was not made in recognition of the fact that Governor Dummer provided Phillips Academy with its first principal, but merely because Headmaster Eames is known to be a collector of hand tubs. His Tobias Lear and Pepperell #1 have long been part of the local scene and last spring provided the heavy artillery for a spirited battle between the members of the senior and junior classes.

The latest acquisition arrived on the campus on November 14 and is now on view in the basement of the big barn. As it was being unloaded, the Business Manager was heard to mutter feelingly that he wished the Headmaster would collect postage stamps.

## EDITORIAL

As we look back over the activities of the past school year, we cannot help feeling that it has been an exceptionally good one and that the morale of the school has been good on the athletic fields and in the classrooms.

One of the outstanding accomplishments of the year, however, is found neither on the playing field nor in the classroom. That was the New England Preparatory School Music Festival in which our Glee Club participated and for which our own Mr. Sager was so largely responsible.

We are proud of our Glee Club and proud of our share in the Festival; and it gives us great pleasure to be able to quote below a portion of the review which appeared in the *Boston Herald* on the day following the concert.

"Is there any sight more attractive than a group of more than 300 youngsters in earnest, any sound more exalting than the voices of these teenagers, well trained, disciplined and doing their utmost?

"Yesterday such a group made a single appearance at Symphony Hall with Wilfrid

Pelletier of the Metropolitan Opera conducting them before a near capacity audience. Though there had been time for only one full rehearsal, the concert proved to be an event as thrilling for an outsider as for the justifiably proud parents and other relations.

"This was the fifth annual concert by the New England (hold your breath) Preparatory School Music Festival Chorus, accompanied by members of the Boston Symphony Orchestra and assisted by vocal soloists from the New England Conservatory of Music and instrumentalists. From every viewpoint it was an outstanding success.

"There was a radiance about the occasion such as is felt at many an event in which young people participate, but it exuded from a brilliant and vigorous sound which is not often achieved however hard the performers may try. The concert began with two Bach chorales, and at every break was enthusiastically applauded."

## EIGHTY COUPLES ENJOY ANNUAL *MILESTONE* DANCE

Governor Dummer's annual *Milestone* Dance took place on the weekend of May 7 with eighty couples in attendance and Jimmy Marshall's orchestra providing the music. Over seventy out-of-town girls were overnight guests at the school for a program that began with the athletic contests on Saturday afternoon, included a formal dinner and the dance in the evening, and concluded with a special Sunday morning chapel service.

The Dance Committee, composed of Allan Rogers, Chairman, David Bell, Charles Bowen, Arthur DuGrenier, David Esty, William Little, Ralph Rigby, Peter Smith, and Peter Steinwedell, is to be commended for the careful planning which went into the program.

killed at Salerno, Italy, in September 1943. The Breckenridge Room on the ground floor is in memory of Donald Edward Breckenridge, Jr. of the Class of 1943, a loyal supporter of the athletic program and an all-around leader at the school who was killed during the Battle of the Bulge only eighteen months after his graduation from the Academy.

Access to the main gymnasium floor is through the Memorial Lobby, where will be found the dedicatory plaque. Mounted under glass on a built-in table in the memorial niche, an engrossed parchment bears the names of all alumni who served during the war, with a special section devoted to the twenty-eight who gave their lives.

## GROTON SUBDUES GOVERNORS IN OPENING FOOTBALL GAME

---

After one week's hard practice a still-green Governor Dummer football team opened its season at Groton on October 1 and was beaten 20-0.

The Governors received, and Brownie Taylor ran the ball back to about the forty yard line. When the Governors failed to make a first down, Groton took over and scored several minutes later. They failed to make the conversion.

In the second period, Groton again scored and did make the extra point. Then once more Groton scored, again making the conversion.

---

## GOVERNORS LOSE TO THAYER TEAM IN FIRST HOME GAME

---

On October 8 a high spirited Governor Dummer team was taken aback by a fast moving Thayer Club on Morse Field. Thayer booted off and recovered the ball on the fifty yard line. They scored soon after that but failed to make the conversion.

Late in the first period Paul Samborski rifled a long one to George Tulloch who ripped over for the touchdown. Pete Yates kicked the extra point. Thayer, however, was by no means beaten and scored again in the second and third periods to merge on the long end of a 20-7 score.

---

## SOCCER TEAM SCORES OVER MILTON ON PARENTS' DAY

---

On October 22 the Governor Dummer soccer team defeated Milton on Whipple Field, 3-2. Milton made the first goal, which the Governors quickly matched, with the tricky foot of Charlie Gesen sending the ball into the goal. Milton scored again in the second quarter; and the Governors again retaliated to end the half, 2-2.

In the second half Charlie Bowen drove home the goal which won the game for the Governors. Notable on the field were Charlie Bowen, Dick Fischer, and Captain Dave Yesair.

## ST. PAUL'S SOCCER TEAM BOWS TO GOVERNORS

---

On Saturday afternoon, November 5, the Governors' soccer team played host to St. Paul's of Concord at Whipple Field. During the first period Captain Dave Yesair put the Governors out in front 1-0. Tom Sayles and Charles Bowen followed, each getting a goal before the half ended.

Coach Navins started the second team in the second half, and they continued the scoring, with Barry Lougee getting a goal on the end of a pretty play set up by Souther Barnes. St. Paul's scored in the last quarter on a penalty kick, but throughout the rest of the game the seconds were pressing. The final score was 4-1.

---

## PONY ELEVEN DEFEATS EMERSON ON PARENTS' DAY

---

On Parents' Day, October 22, the Pony football team set Emerson back for their first loss of the season and the home team's first victory. Led by the excellent running and tackling of Whit Clark and the all-round play of Charlie Brown, the Ponies were able to hold the Emerson eleven in check. After building up a lead of fourteen points on touchdowns by Clark and Bullock, Mr. Ragle was able to substitute freely, giving his reserves some experience.

## FOOTBALL AND SOCCER AWARDS MADE AT CHRISTMAS DINNER

---

On the last night before the Christmas vacation the annual Christmas Dinner took place in the Lang Gymnasium, with Mr. Walter F. Sheehan, headmaster of Canterbury School, New Milford, Connecticut, former member of the Deerfield Academy faculty, and later Athletic Director and Dean of Freshmen at Williams College, acting as toastmaster. The principal speaker of the evening was Dr. William E. Park, president of the Northfield Schools.

The presentation of athletic awards and letters in varsity football and soccer followed the dinner and the election of next year's captains was announced.

### SOCCER TEAM SETS NEW RECORD IN WIN AT TABOR

On Saturday, November 12, the Governors' soccer team traveled to Tabor for their final game of the season and their seventh victory.

The game was somewhat hampered by high winds, but the Governors took advantage of every break. Soon after the opening kick-off, Al Flynn put a well-placed shot into the Tabor goal. This score gave the team a great lift; and within three minutes Dave Yesair scored again and the Governors led 2-0. The half ended with this score.

In the third period both teams fought evenly, and it was not until late in the fourth period that Yesair put in his second goal on a scramble in front of the cage. This goal was just the insurance the Governors needed, for Tabor scored once and threatened another time in the final period.

This 3-1 victory gave the Governors a score of seven wins, one tie, and two losses for the season, with a record total of 31 goals for the ten-game season. The previous record of 28 goals in an eleven-game schedule was set in 1947.

---

### UNDEFEATED C SQUAD BEATEN IN FINAL GAME

On November 12 the unbeaten C squad journeyed to Belmont Hill to play Belmont's J.V. football team and finally met its match as Belmont won 21-6.

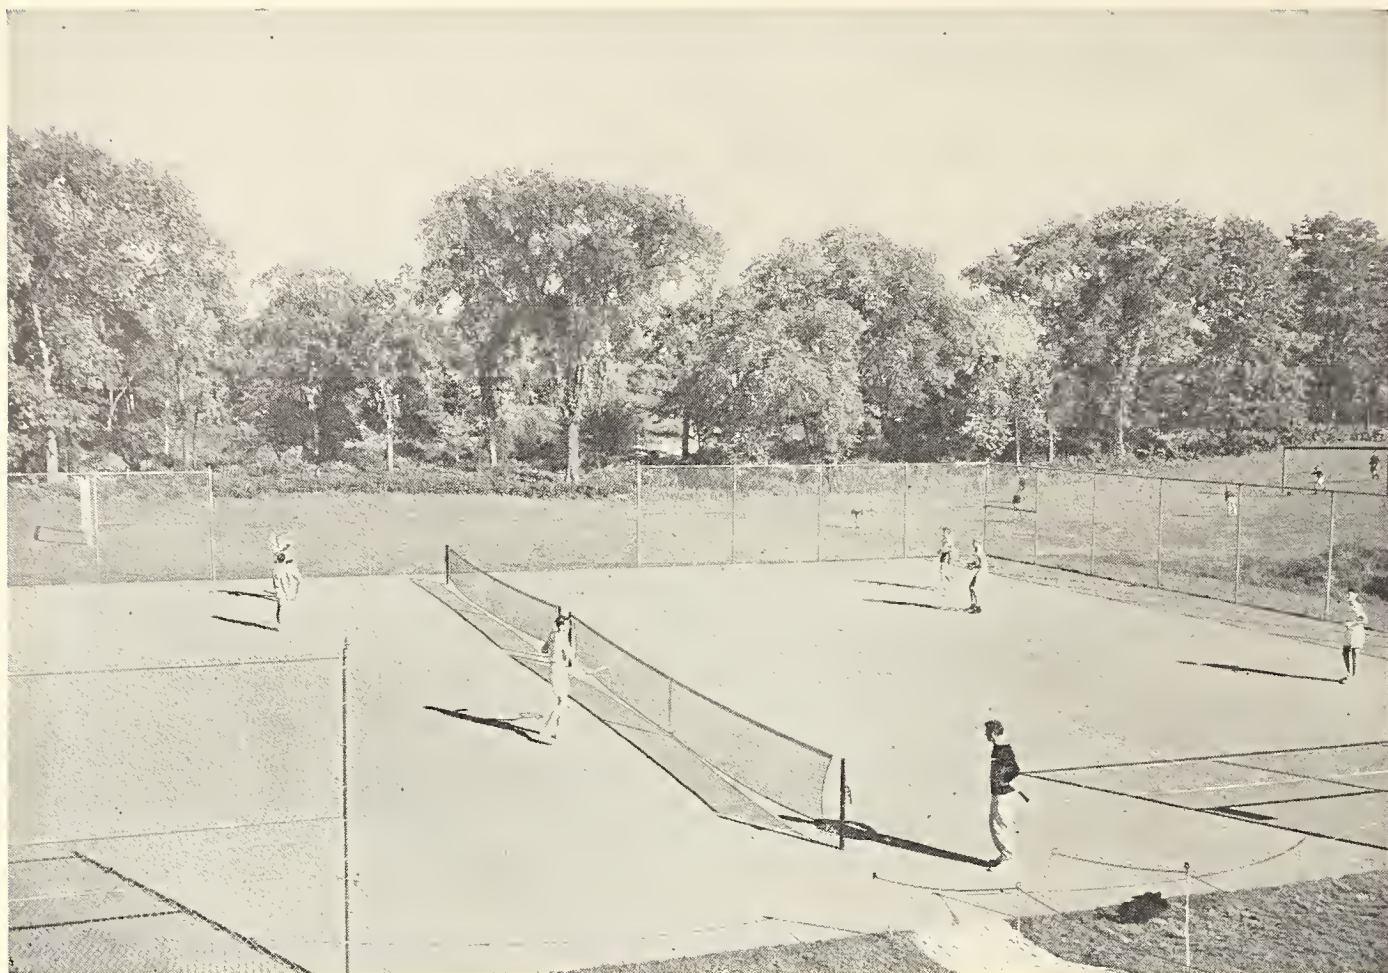

The Governors kicked off; several plays later Belmont lost the ball and Reg Towner scored on a reverse. The conversion failed. During the next period Belmont scored on an end run, made the conversion, and swept ahead 7-6. In the last half Belmont scored twice more, making the conversion both times.

#### *C Squad Blanks Cambridge 25-0*

November 5 was the C squad's big day when it shut out the Cambridge School varsity 25-0 on Morse Field. Spirits high, the Red team rolled down the field for first down after first down in the first period, until Pete Remis scored on a long run around end.

During the second half the Governors really began to roll, scoring nineteen more points by Bob Louttit and Reg Towner. Blocking and tackling practice paid off as the C squad came out the victor 25-0.

### ROXBURY MEET WON BY FALL IN FINAL MATCH

The wrestling team took on undefeated Roxbury Latin on February 4 at South Byfield. The Governors got off to a poor start, for Lawson and Barnes met exceptionally good opponents and both lost decisions.

A default in the 128 lb. class made the score 11-0 for the visitors.

The Governors soon began to fight back. Chris Weichsel gained a decision; Captain George Tulloch pinned his man, and Don Bishop gained a decision over his man. With two matches to go the score stood tied at eleven all.

John Hjorth, wrestling for the injured Bob Smythe, lost a decision in the 165 lb. class, giving Roxbury Latin a three-point margin over the Governors. Wrestling in the 175 lb. class and in the first meet of his career was Buddy Reith. Buddy, with a little knowledge and a little strength, put together a pin and gave the Governors their second victory of the season, 16-14.

### GOVERNORS PLAY LEAGUE GAMES AT BOSTON ARENA

In order to assure at least a minimum hockey schedule a number of schools in the Boston area, including Governor Dummer, this year organized a hockey league and reserved the Boston Arena for six successive Wednesday afternoons. Three full-length games were scheduled each afternoon from mid-January to early March.

#### *Governors Bow to Noble and Greenough in First Hockey Game of League Schedule*

Governor Dummer's hockey team, lacking practice but not spirit, battled a strong Noble and Greenough team at Boston Arena on Wednesday, January 11. Nobles came from behind to win 2-1 after Co-Captain Charlie Bowen of the Governors had scored a beautiful goal midway through the first period. Our two goalies, Charlie Robb and Cliff George, were outstanding during their periods in the goal.

## GOVERNOR DUMMER SEXTET TOPS ST. MARK'S TEAM 5-2

---

On Wednesday, February 8, Governor Dummer played the best game of the 1950 season, beating St. Mark's 5-2. St. Mark's outplayed the Governors in the first period although the score was 0-0.

In the second period St. Mark's scored first, but the Governors came roaring back with two goals by Brownie Taylor and Charlie Bowen from Dick Fischer. The third period saw Brownie Taylor score two more and Ned Werner one. Cliff George and Brownie Taylor turned in outstanding games for the Governors.

## J.V. HOCKEY TEAM TRIUMPHS OVER BROOKS AT LYNN ARENA

---

On Wednesday, February 8, a spirited junior varsity hockey team left Governor Dummer for the Lynn Arena, where they defeated the Brooks J.V.'s by a score of 3-0. All three goals were scored by Ricky Blackmur.

During the second period, when Brooks had a man off the ice serving a penalty, Ricky was able to break through the Brooks defense for the first goal. The next two points were scored in the last period when Blackmur was assisted by another teammate.

## WINTER TRACK PROGRESSING UNDER COACH WITHINGTON

---

Winter track is perhaps the least publicized sport in school, but Mr. Withington who was himself an outstanding man in track at Exeter and at Harvard, has spent many hours this winter teaching boys the fundamentals of sprinting, hurdling, broad-jumping, high-jumping, pole-vaulting and shot-putting.

On February 4, Mr. Withington took five boys into the Boston Garden to run in the relay race. They were Tim Greene, Pete Remis, Skip Woodruff, and Nate Fuller. Bob Goddard was brought along as an alternate. Although the boys ran in good time, they missed the final relay race by three-tenths of a second.

## GOVERNORS LOSE TO THAYER AFTER TAKING EARLY LEAD

---

On Saturday, February 4, in the Lang Gymnasium the Governors met a powerful Thayer five. Dodge Morgan scored 9 points in the first quarter as the Governors led 17-15 at the end of the period. The Thayer club pulled ahead during the second period to lead at intermission 30-26. Beck and Rex started hitting in the third stanza and the Governors were down by only one point, 39-38, at three quarters time.

The Governors seemed to tire in the last period and Thayer gained a wide margin in the lead. The final score was 55-46 in favor of Thayer. Hadley led the scorers with 13 points but was closely followed by Rex, Morgan, and Beck.

## HARVARD FRESHMEN BEAT GOVERNORS IN DOWNPOUR

---

On April 14 the Governors tackled a strong Harvard Freshman nine in their second appearance of the season and their first home game. The home team got off to an early lead in the third inning, scoring twice on hits by Samborski, Rex, and Fischer. After a slight intermission because of a downpour, the Harvard club came up with three runs.

Paul Samborski went the route for the Governors and was extremely fast. He had eleven strike-outs to his credit and was untouchable for the first five innings, but the pause in the game seemed to cool him off somewhat. The final tally was Harvard 5, Governor Dummer 2.

## GOVERNORS' GOLF TEAM IN MATCH WITH EXETER, ANDOVER

---

Golf has been renewed as a team sport at Governor Dummer, and in the team's first match this year at Exeter on Wednesday, April 12, they tied Exeter and beat Andover. The following boys did very well on the Exeter course: Emerson, Gately, Werner, Burns, and Erb. Erb was only one stroke off the low medal score.

There were nine matches on the team's schedule.

THE LACROSSE TEAM OF 1950

---

### TABOR LACROSSE TEAM TOO STRONG FOR THE GOVERNORS

On Saturday, May 20, the Governors' lacrosse team traveled to Marion to play Tabor Academy. The Governors' spirit and drive were undaunted by the long trip. The first half was fought fast and hard, and as the period ended the Governors were trailing 7-5.

The second half was another fast and hard period, and the game ended with Tabor 11, Governor Dummer 6.

Charlie Bowen was outstanding, scoring four of the six Governors' goals. John Gill and Ronnie Campion also scored.

---

### TRACK TEAM BEATS MILTON

On Saturday, May 13, the undefeated Governors' track team defeated a strong Milton team. Dodge Morgan was the outstanding man for the Governors, getting two firsts and a second. He won the 440 in very fast time. He placed second in the 220, and pulled through in the high jump, jumping 5'8".

---

### TENNIS TEAM WINS AT ST. PAUL'S AND ST. MARK'S

St. Paul's School of Concord, New Hampshire, played host to the Red and White tennis team on May 13. Although some of the matches went to three sets, the Governors finally stroked their way to a 9-0 victory.

On May 20 the tennis team traveled to St. Mark's where the most rugged opposition of the season was encountered. After a long, see-saw battle, the Red and White triumphed, 5-4. Ives, Hicks, and Hawkins scored in the singles, while the doubles teams of Beck-Ives and Hawkins-Davidson came through brilliantly to put the match on ice.

### PONIES DEFEAT EMERSON IN OPENING BALL GAME

On Friday, May 5, Don George pitched a no-hit, no-run shutout to lead the Pony baseball team to its first win of the season, over Emerson, 11-0. The fourth inning told the story when the Governors picked up eight more runs and were going strong until the game was called.
